Saturday-July 15 Board Meeting: Location will be published in the June newsletter. Meeting of outgoing and incoming board members. However all members are welcome to attend. Report from Florida Leadership meeting is one of the items on the agenda.

Tampa AAUW awards two \$1, 000 STEM Scholarships

Lauren Wright is one of two recipients of the Tampa AAUW STEM Scholarship for upper-level USF students. She is currently an ARNP and will graduate with a PhD in Nursing on May 5th. Lauren said *"I am passionate about preventative health in the global underserved community and the utilization of integrative medicine to improve health outcomes."* She is a positive thinker who views the barriers and challenges she has encountered as *"... mere mediators in my development-cultivating compassion, resilience, and determination as tools—tools that I plan to utilize in making a difference as a Nurse Practitioner and Scientist by impacting the global underserved community."*

Samantha Klingener is the second scholarship recipient. She is a rising senior with a double major in Animal Biology and Chemistry. Samantha aspires to have a career as a veterinarian.

Both students will be highlighted on the AAUW Scholarship webpage.

Do you know which current officer of the Tampa AAUW branch is also affiliated with an organization that supports abused and neglected children? (Pg 2)

From the Presidents Desk

We are nearing the end of fiscal year 2017. It is a time to celebrate with acknowledgements, recognition, and a display of our colors! Our branch is now 101 years old. During the year ending in May, we increased the membership by 24 %, sponsored a Tech Trek student, and selected two STEM scholarship recipients. And on May 20th, we will install a slate of officers that is a mixture of novice and experienced members.– a melding of minds and ideas. This is a result of your commitment and hard work.

Let's celebrate those who paved the way and kept the mission of "advancing equity for women and girls through advocacy, education, philanthropy, and research." And let's celebrate those who are making a commitment to keep the mission.

May 20th is an opportunity to wear the AAUW colors -Admiral blue and leaf green. Complimentary colors are honey gold, perfect ruby, slate blue, paprika, fern, and eggplant (<http://www.aauw.org/files/2013/02/AAUW-Brand-Guidelines.pdf>). One prize for best outfit and one prize for best display of colors-shoes, ring, tie, shirt, e tc.

Hope to see you in living color on May 20th!

Bert Dunbar, PhD, ARNP

No May Birthdays!

From Dazzling News: People born in May work hard for what they believe in. So, this is an opportunity to bring in a May Baby!

ANSWER:

Jacqui Vento .

Jacqui Vento, Director of Scholarship and Irene Bembrly, Director of Program Development Elect are the latest members featured on the **Membership Page** at the Tampa website. Two new members are featured every four months. If you would like to share your story, please send a message to bertd28@aol.com and title your message, "Membership Story". Incidentally, Irene loves horseback riding. For the full stories go to the Tampa website. Sharing stories is not only a good way to get to know members better, find common interests, and connect to begin life-long relationships, it is also a means of further connecting with the community. Your story may bring in a new member. (Website: fl.aauw.net/)
