Pictured L-R-- Stephanie Pazmino, Jacqui Vento(Director of Scholarships Tampa AAUW), and Cecelia Ferguson

Both of these bright young University of South Florida students spoke passionately about pursuing further education in an effort to reach their career goals. Eventually, Stephanie Pazmino would like to be in a position to persuade young girls to pursue STEM careers that may include mathematics. She spoke of believing it is the role of teachers to help dispel the *myth* that mathematics is " too hard."

Cecelia Ferguson graduates in May and has been accepted into a national nurse residency program at the James A Haley Veterans Hospital. She plans to join the program after graduation. However, she also has her sights set on becoming a Nurse Practitioner and eventually earning a PhD in Nursing.

Tampa AAUW Scholarship applications are now being accepted for the 2017-2018 school year. Please direct possible applicants to the Scholarship tab at the Tampa AAUW website <http://tampa-fl.aauw.net/> . For further information, please contact Jacqui Vento @ Jacqui.lynn@tampabay.rr.com

From The President's Desk;

Tampa AAUW is at a critical phase of development. The Director of Program Development, Recording Secretary, Director of Membership, Website and Media Manager, and the Newsletter Editor and Manager have all left or plan to leave their positions at the end of this fiscal year. They are leaving their positions with over 100 years of institutional knowledge. Experience is a commodity that cannot be bought on the Stock Market. Exchange. However, there can be a beginning of knowledge transfers.

We can see all around us where institutions stumbled or collapsed when no one was "paying attention". The Tampa AAUW branch has been a force to be reckoned with for 101 years. However, no organization continues to have a vibrant existence without assessing and adjusting to changing climates. Tampa AAUW is now approaching a precipice.

So, how do we keep the legacy? How do we move forward in a healthy manner? We need every Tampa member doing what he/she can to shore up the workforce. Novice members will need to step up to the plate and experienced members will need to reach out and give a helping hand or a gentle nudge of support. Members of the Nominating Committee (**Gloria Hilton, chair, Irene Bembry, and Carla Carten**) are searching for members to fill the void. Let's think *outside the box*. If you feel like you have '**been there, done that**'. Would you be willing to share a position with a novice who is thinking, "**I am too new**"?

Bert Dunbar, ARNP
