Hello AAUW Tampa Members,

Happy October in Florida, where we are beginning to see hints of Fall with peaceful mornings, shorter days, and the aroma of pumpkin spice coffees and lattes. Love it (or not), pumpkin spice coffees and lattes, which I just learned don't contain pumpkin or allspice, are here to stay. Whatever your aromatic coffee or tea choice is, make sure to take some time this month to enjoy, as today is [International Coffee Day](#).

In this issue of the newsletter, you'll notice an abundance of [pink](#). This is intentional, as October is also Breast Cancer Awareness Month. In recognition, our meeting on the 21st has a [Pink-Out Theme](#). To support the cause and to bring attention to Breast Cancer Awareness, we ask that you and guests dress in pink or wear pink ribbons. Learn more in the [President's Message](#).

Additionally, for your considerations, throughout the newsletter you'll find special activities and events, in which you may choose to engage or participate. There are activities at the local level, including the Special Interest Group (SIG), focused on reading [Banned Books](#); state-level meetings; and national-level activities. As you begin to plan your month, please consider the following:

1. [RSVP & place lunch orders for the October 21 meeting](#)
Are you attending the meeting? RSVP and submit your lunch order to Rev. Vaguener via mvaguener@aol.com by, or before, the **Friday, October 13 deadline**.
2. [Incorporate calendar events into your schedule](#)
3. Send [birthday wishes](#) to the 6 wonderful women who were born in October
4. Get Involved by:
 - Joining [the Tampa board](#)
 - Attending a state-level meeting for [Public Policy](#) or [Membership](#)
 - Spreading the word about [Teck Trek 2024](#)
 - [Applying for an AAUW fellowship or grant](#)
 - [Reserving your spot for upcoming events](#)
 - Participating in the [Out & About](#) activities

Until we meet again, have a wonderful month.

A Message from the President

**Shella Miller,
President
AAUW Tampa
2022-2024**

It is October and we are already in the second month of our membership year. October is such a fun month with several important observances. October is Breast Cancer Awareness Month. According to the National Breast Cancer Foundation, 1 in 8 women will be diagnosed with breast cancer in her lifetime. To raise awareness, honor those we have lost to breast cancer, and support those who are currently fighting or have fought and survived breast cancer, we will have a **Pink-Out Theme** for our October meeting (on October 21, 2023, from 11am-1pm at the Temple Terrace Golf and Country Club). To show our camaraderie and support, we encourage all attendees to wear pink and/or pink ribbons.

**Are You
Attending the
Meeting?**

RSVP's due: Friday, October 13, 2023 (11:59pm)

RSVP with: Rev. Martha Vaguener (mvaguener@aol.com)

RSVP should include: Lunch selection (if you are having lunch)

Another important observance is International Day of the Girl Child, which falls on October 11, 2023. This day was adopted in 2011 by the United Nations to acknowledge the important issues and challenges girls face around the world. The day brings focused attention, advocacy opportunities, and empowerment of girls so they may reach their full potential despite challenges and limitations. Unfortunately, locally and internationally, girls endure child marriage, education inequality, violence, decreased physical and mental wellness, food insecurity, period poverty, and human trafficking.

In honor of this special day, we will be holding our second annual Intergenerational Tea, ***Inspiration en Blanc with a Flair on Nov. 18th from 11am-1pm.***

I am extremely excited about holding the tea again and want to thank the committee working on this event. We had a phenomenal time last year and I know this year will be even better.

Table packages are available for this event. A full table purchase covers seating for 8. After purchase, tablemates will decorate their table to create picture perfect memories that will last a lifetime! Not to mention, you could win the prize for the best inspired table!

Purchase your table (\$250) or individual ticket (\$40) soon before we sell out. All proceeds benefit AAUW Tampa Scholarship and Tech Trek Fund. On page 6 of the newsletter, please see the flyer with details about the tea. If you have any questions, please email Tara Perkins, Director of Membership, at hammond tara@gmail.com.

Invite, Invite, Invite

Membership is the lifeblood of our organizations, which ensures its survival and adequate hands to work on our mission. We encourage you to join hands with us and be ambassadors for AAUW to bring guest to our events and meetings. This is a way to share AAUW with others and potentially gain new members.

Process New Memberships, Membership Renewals and Donations in the Community Hub by following the step-by-step instructions made available on the [Community Hub Tools and Resources](#) page. You can also find answers to your most [Frequently Asked Questions](#).

Pathways to Successful Leadership and Open Board and Committee Opportunities

At the last State of Florida AAUW Presidents meeting, President Holt discussed *Pathways to Successful Leadership*, a statewide project for developing future leaders within AAUW. The project will include several instructive modules related to understanding Governance and Finance. Even if you are not in a formal position, participating in the modules offers a great learning opportunity, particularly for those interested in serving on our Governance Board.

The phrase “governance board” often sounds scarier than it is. A Governance Board, simply, is a team with a strategic focus of ensuring our branch is forward advancing; complying with rules, laws, and regulations; aligning activities with our core vision and mission; creating fiscal viability and responsibility; and facilitating membership growth. Equally as important in this strategic focus is the creation of future leaders, who will ultimately keep the branch going. With that being said, I am seeking appointments of several open positions, which are listed below. Interested in learning more? Please contact me or Catherine Clark Martin, Vice President AAUW Tampa, Inc. ccmartinaauw@gmail.com.

- **Social Media Manager (SMM)**- The SMM maintains our social media presence by sharing important information, events, and activities on our social media platforms.
- **Diversity Equity and Inclusion Director (DEID)**- The DEID serves at the liaison with the State DEI Committee, bringing information s back to the branch DEI information, ensures we are creating a diverse and inclusive organization, hosts at least one branch DEI event or seminar, and shares DEI learning and growth opportunities.
- **Nominations Chair and Committee**- The chair and committee develop the slate of nominations for next year’s elections for April 2024. An appointment is needed prior to or by December.
- **Fundraising Committee**- The committee generates ideas, plans, and helps with branch fundraisers.
- **Special Interest Group (SIG)**- The SIGs, such as *Out on the Town*, forge relationships and friendships on a small scale around special interest topics (e.g., Book club, cooking, discussion groups, etc.). Let us know if you are interested in joining an existing SIG or starting a new one!

Regional Members’ Meetings

In 2024, AAUW has voted to hold several regional member meetings in lieu of a State-wide convention. This meeting is open to all members. Last year Kim Rostick, Director of Tech Trek, and I represented our Tampa branch. It was a great session, and we were able to meet several of our sister branches. I will send out more information about the details of our region once we get it later in the year.

Enjoy the Newsletter! I look forward to seeing you at the October 18th meeting.

Best Regards,
 Shella M. Miller, FACHE

Public Policy Matters

Submitted By: K. Lee-Smith, PhD

Please join the AAUW Florida Public Policy Committee for its 2nd education series, Thursday October 5, 2023, at 6:00 p.m. for a presentation on Title IX and Dress Codes in Florida Schools. The guest speaker will be Nancy Tray, Change the Dress Code Movement, St Johns County.

Background: The U.S. Department of Education launched an investigation into a complaint that the St. Johns County School District discriminated against female students through its enforcement of the dress code. This led to the Department of Education, Office of Civil Rights (OCR) investigation into whether the district subjected female students to discrimination on the basis of sex in connection with enforcing dress code requirements, in violation of Title IX, which prohibits discrimination on the basis of sex in education programs or activities.

If you have not registered, you still have time to join this important and exciting educational topic on Title IX and Dress Codes in Florida Schools.

Please register at: <https://us06web.zoom.us/meeting/register/tZMpFu6gqD0rGtycH0Vsz9ugMco-tatc5EVZ-/registration>

Florida Tech Trek 2024: Your Support and Action are Needed!!!

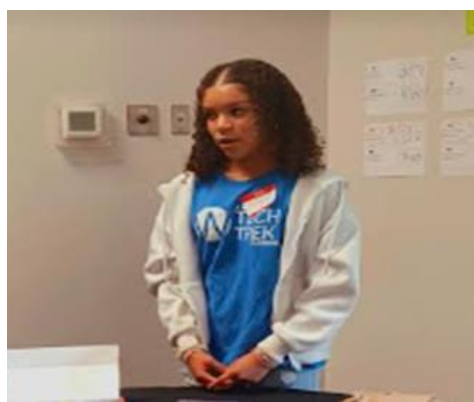

1. **We need your support getting the word out!** If you have contacts for 7th grade teachers or middle school administrators at public, charter or private schools located in Hillsborough County, please text the name & school to Kim Rostick, Tech Trek Chair 813-545-9435. Advertising for Tech Trek and outreach to the schools will begin in October, with the anticipated outcome of identifying students to nominate starting November 1.
2. **We need your participation!** Consider the opportunity to serve on the Tech Trek Committee. The goal is to have the committee in place by October 31, ahead of nominations. If interested, call or text Kim Rostick, Tech Trek Chair 813-545-9435.
3. **We need your donations!** It costs \$1,200 to send each camper to Tech Trek. The goal is for AAUW Tampa Branch to identify at least 3 corporate donors to support the Tech Trek nominees. Please consider donating or sending the name of a good potential donor to Kim Rostick, Tech Trek Chair 813-545-9435. Questions about donations can be sent to Deb Nelson fltechtreknelson@gmail.com. Mail all donations to Tech Trek to AAUW FL Supporting Foundation, PO Box 126, Palm City, FL 34991.
